<u>Open Canvas</u>
Chematoodlon Art Competition

Organiser name: Shubhrajyoti Bhattacharjee (+91 88261 88935)

Rules and Regulations:

1. The contest is open to UG students of Department of Chemical Engineering.
2. Paintings of both forms: (a) Sketches, and (b) Paintings will be accepted, both in the same category.
3. There is NO subject matter for the artwork to be submitted.
4. All artworks should be strictly HAND-DRAWN. Digitalised signatures, borders, etc. which are not the part of actual artwork can be present.
5. Each participant can submit a maximum of 5 artworks.
6. Artworks should be properly scanned, and should be of a minimum resolution of 100 DPI. All submissions will be accepted through the respective Google Form only. Artworks should be submitted only in any of the following formats: JPEG, JPEG 2000, PNG, PDF.
7. All the submitted files should have a file name of form:
   <Artwork subject>_<Participant Name>_<Participant year>
8. Any artwork found be a case of forgery or imitation will be immediately disqualified, and resulting in the cancellation of participation. In case of upload issues, or misunderstanding of rules and terms contact any team member.

Event Structure:

1. The 'Open Canvas' contest is a part of the 1st round of Chematoodlon event.
2. On the basis of all the events, a leaderboard will be generated for subsequent rounds.
3. On the basis of number of registered candidates, a 2nd round may be conducted.
