

## Chematoodlon '20 Quiz

Event Organiser : Rishav Panda (799296806)

### **Rules and Regulations**

- 1) This event is exclusively for UG students , Department of Chemical Engineering, Jadavpur University.
- 2) This will be a pop quiz; no course knowledge is required. Simple general awareness will do great wonders for you.
- 3) This is a solo event.
- 4) The quiz will be conducted on google forms because answers to some questions require a manual check. Registrations for this event will begin shortly. Registered people will be added to a Whatsapp group, where the questionnaire link will be shared.
- 5) It will have 15 questions, divided into 5 sections each section having 3 questions. Instructions for each section will be clearly stated in the form. Different sections will have different weightage, all of which will be stated in the form.
- 6) To avoid cheating by searching for answers on the internet, a timer will be added.
- 7) A second round will be held as per participation in the first round.
